# BUILDING HEALTHY & RESILIENT COMMUNITIES

MCDPH is offering up to \$12 million in grant funding to agencies, municipalities, and organizations that are working to address Health Disparities through policy, systems, and environmental change, which has made COVID-19 more devastating for many in our communities.

Funding will be awarded via 5 opportunities for the following regions:

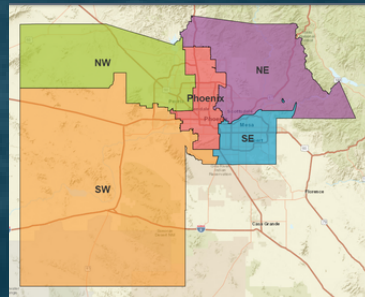

[Northwest Region](#)

[Southwest Region](#)

[Central/City of Phoenix](#)

[Northeast Region](#)

[Southeast Region](#)
